Kristan Browne
Attrinिति Consulting

“Kristan was able to look at my business structure objectively and give me excellent advice on how to improve my work flow. I appreciate her honesty and experience. She treated me like a friend as well as a client.”

Laura Bauer, Bauer Garden Design

“In working with James in a private session it was profound, insightful, healing. I can’t begin to describe how incredible the experience was. I can say my internal experience with this process was unparalleled. So deep. So profound. Sacred. Clarifying.”
